Dynamic Audio Solutions

## Philosophy of Audiocenter

*Together we are stronger*

Dynamic Audio Solutions

# INTEGRATION OF GLOBAL RESOURCES

Dynamic Audio Solutions

# Integration of R&D Technology Resources

- ✓ more than 30 people R&D team
- ✓ Klaus Walter Schwaiger, an electro-acoustic expert from Germany, is our chief technical consultant.
- ✓ self-owned R&D institution in Spain
- ✓ Work in constant cooperation with many R&D institutions and experts in Germany, Sweden, Spain, Italy and China.

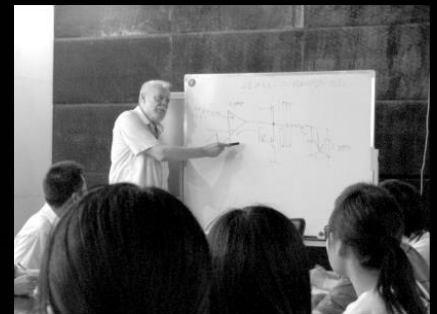

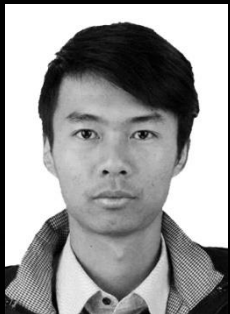

Dynamic Audio Solutions

# Integration of Application Technology Resources

- ✓ Senior Application Engineers are around the world, such as Roshan Malim from India and Jorge Uriel Nunez Vega from Mexico
- ✓ Our technical support team provides excellent technical service for global customers and technical training for our distributors.

Dynamic Audio Solutions

# Integration of Suppliers' Resources

- ✓ We source core materials from across Europe and America.
- ✓ These brands consistently provide with the best quality components at the best price due to high volumes.

Dynamic Audio Solutions

# Integration of Manufacturing Resources

- ✓ Jcleon International Electronic Co. Ltd, the core manufacturing base in the Asian-Pacific Region for Audiocenter.
- ✓ It is the largest and most professional manufacturer for audio in China
- ✓ It ensures reliable production capacity for Audiocenter.

Dynamic Audio Solutions

# Integration of Sales & Marketing Resources

- ✓ International Sales & Marketing team. We employ local experienced professional staff to provide better and more comprehensive one-on-one service to our customers.
