- Works flawlessly with guitar and FX loop signals
- Extra-small enclosure easily fits on any pedal board
- 3-Year Warranty Program\*
- Designed and engineered in Denmark

## Vibrant Vibes

SHAKER VIBRATO has been the sleeper hit of the TonePrint series. Guitarists loved adding the life and vibe of both subtle and pronounced vibrato effects – and rightly so! From classic Leslie and cool Mellotron tones all the way out to the fragile “Lucy In The Sky With Diamonds”-like sounds and modern ‘bottom of the ocean’ swirl, SHAKER VIBRATO delivers. Now you can have all that in SHAKER MINI VIBRATO, a pedal so small and so awesome sounding, you’ve simply got to add it to your pedalboard!

## Size Matters

Size matters in all aspects of life: more volume is better than less; 2 guitars are better than one, etcetera, etcetera. But when it comes to pedals, a tiny form factor combined with a great sound is the clear winner for guitarists – and that’s exactly what SHAKER MINI VIBRATO provides!

## TonePrint – Signature Effects

SHAKER MINI VIBRATO is TonePrint enabled, which allows you to get the revered TC sound multiplied to infinity with rockstar-customized versions of the best chorus sounds we have to offer – and all free of charge!

## Time to Shake Things Up!

From a subtle warble to blazing Leslie sounds, SHAKER MINI VIBRATO really livens things up! From the killer stock sound to the endless world of Toneprints, you've got everything you need to add some subtle vibes – or kick up a storm!

## True to Tone

You love tone and so do we, and our design philosophy testifies to that. So whatever route you wanna go, we've got your back. With its optimized headroom, True Bypass and even Kill-Dry on/off via our TonePrint Editor, SHAKER MINI VIBRATO guarantees optimal tonal integrity and zero loss of tone. And whether the pedal is on or off, your precious dry sound is always passes through the pedal in all it's pure analog glory thanks to its Analog-Dry-Through design.
