

## Stompboxes

# SPARK BOOSTER

Awesome Booster Pedal with Gain Control and Active EQ

- Powerful booster pedal with gain control and active EQ kicks your playing into high gear
- Impressive 26 dB of completely clean boost makes your core tone shine through
- Dedicated gain knob adds dirt and grit to vastly expand your tonal palette
- Two-band active EQ with toggle switch lets you precisely sculpt your tone
- Level control knob gives you versatility to go for a pristine boost or drive your amps to peak performance
- True bypass allows for optimum clarity and zero high-end loss when the pedal is off
- Simple and intuitive user interface lets you focus on playing
- Easy one-screw battery compartment access
- Sturdy die-cast metal case designed for life on the road
- 3-Year Warranty Program\*
- Designed and engineered in Denmark

## Rooted in Tradition – Aimed at Rebellion

Kick your playing into high gear with SPARK BOOSTER, the stealthy stompbox that rocks a completely clean boost with heaps of extra features for your tone palette.

- A whopping 26 dB of boost
- Gain knob for added grit and dirt
- Active EQ and toggle switch for precise tonal shaping

## Kickstart Your Tone

With a full 26 dB of boost, SPARK BOOSTER delivers the juice you need for highlighting solos and nailing that killer lick or riff.

# SPARK BOOSTER

Awesome Booster Pedal with Gain Control and Active EQ

## So Much to Gain

The Gain knob allows you to add just a hair (or heaps) of dirt to your tone vastly expanding your tonal palette. The active 2-band EQ functions as a powerful set of tone shaping tools allows you to sculpt your tone with unprecedented precision.

## Total Tonal Control

The active 2-band EQ functions as a powerful set of tone-shaping tools, allowing you to sculpt your tone with unprecedented precision. The mid-shift toggle allows SPARK BOOSTER to focus and amplify all those juicy mid-heavy frequencies that make your guitar sound great, allowing you to cut through any mix.

## You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own **MUSIC Tribe** factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous **Warranty program**.
